# GO ROGUE

## TO SEPARATE FROM THE PACK, YOU NEED TO GO ROGUE

### ROGUE

The combination of Jailbreak technology and the Hyper Speed Face Cup promotes more average ball speed in a hybrid. Long, accurate, easy to hit and versatile. Suited for a wide range of players who want balance and performance.

### FEATURES & BENEFITS

**Jailbreak Technology For The First Time In A Hybrid**
Revolutionary face technology stiffens the body for more impact load on the face to increase ball speed and distance.

**Industry-Leading Hyper Speed Face Cup For Increased Ball Speed**
Innovative Face Cup works with Jailbreak to promote fast ball speed across a larger part of the face for consistently long distance.

**Easy To Launch On A Long, Straight Flight**
Ultra-low CG location and high MOI design make these hybrids easy to hit.
