

THE NEW STANDARD FOR WEDGE PERFORMANCE

Enhanced Spin & Control

From Groove-In-Groove Technology and Micro-positive surface texture

Pure Feel

From the combination of soft carbon steel, precise CG locations and crisp turf interaction

Four Sole Grinds

Each designed to excel with different short-game styles and course conditions

21 Loft-Bounce Options

The most ever in a Callaway wedge

Dynamic Gold 115 shaft and Lamkin UTx grip

Premium components that together promote great feel and maximum control
