

OWORKS EXO TWO-BALL

# SPECIAL EDITION

Our new OWorks Exo Two-Ball is a premium putter unlike any we've ever offered. It combines one of the game's most innovative and iconic putter designs with top-notch materials and painstaking production to create something truly special.

## FEATURES AND BENEFITS

### FULLY MILLED CROWN AND SOLE

Hours-long milling process renders with great precision every edge, curve and surface of the aluminum crown and stainless steel sole.

### PREMIUM LOOK AND ELEGANT DETAILING

Everything about the appearance is high-class: the rich finishes, rose gold and black color scheme, stylish face medallion and refined sole weight.

### MICROHINGE INSERT TECHNOLOGY FOR SMOOTH, ACCURATE ROLL

Tour-proven face insert that promotes forward roll at impact to promote smooth, online roll.

### CLASSIC 2-BALL ALIGNMENT SYSTEM AND HIGH MOI

The classic performance features that make every 2-Ball putter easy to aim and remarkably stable on off-center hits.
