

## **Odyssey Stroke Lab Women's Putters**

**Product Name:** Stroke Lab Women's Putters

### **Product Intro:**

Stroke Lab has completely changed putting forever with our revolutionary, multi-material Stroke Lab shaft. This design actually helps to improve the tempo and consistency in your stroke, and the performance is nothing short of incredible. It's engineered to make you a better putter, golfers absolutely love it, it's winning major championships and big events around the world, and it's helped Odyssey become the #1 Putter on EVERY Tour.

It provides the Stroke Lab weighting you want for more consistency, and we've enhanced the forgiveness, alignment, and insert technology. Our proven White Hot Microhinge Insert provides legendary Odyssey feel, the high contrast creates easy alignment, and the components and length are specifically designed to help improve your performance.

### **STROKE LAB WEIGHTING**

Innovative multi-material shaft saves 40 grams of weight, which is redistributed to the head and grip end of the putter. It completely rebalances the putter for improved tempo and consistency in the stroke, and this major-winning technology continues to dominate on Tours around the world.

### **WHITE HOT MICROHINGE INSERT**

Classic Odyssey feel with incredible forward roll.

### **LEGENDARY ODYSSEY SHAPES**

This lineup of putters includes our iconic One, Seven, & 2-Ball shapes that are synonymous with Odyssey.

### **PREMIUM SILVER AND BLUE FINISH**

Proven high contrast finish for easy alignment.

### **Designed To Help You Make More Putts**

The grip and length are specifically designed based on extensive player testing to improve your putting performance.
